Are you looking for a school ?

You will find here all the information you need for :

- ***Choices of programs***
- ***Courses***
- ***How to apply***
- ***Practical information about our school and how to prepare your trip.***

ISSIG welcomes you !!!

Choosing ISSIG

- The paramedical department of the ISSIG offers 500 futures nurses access to an exciting profession achieved through a highly professional and supportive training program.
- The primary focus of our school is the « other » and we therefore welcome external student to share our competences and experiences.
- The content of the qualification offered by ISSIG is professional, technical and practical. It offers immediate access to opportunities in the working environment directly after receipt of diploma.
- One of our strenght is to the provision of a highly skilled professional practice incorporating a virtual hospital, a simulation laboratory, an informatic nursing file and courses on line....
- The school is located in the heart of Brussels, the Belgian capital and centre of the main European institutions. It is near all facilities : shops, transports, bars etc.
- In a cosmopolitan environment , our students have the opportunity to taste a wide choice of cultural and sporting activities. These include concert halls, museums, theatre and city wide seasonal events as well as popular tourist sites and the green areas surrounding Brussels.
- All our students benefit of a student card which allows admission to all cultural and sporting activities at reduced price.

Choosing your Program

Choose from :

- Nursing education (6 semesters/180 ECTS)
- Specialisation in Imaging and Radiotherapy (2 semesters/60 ECTS)
- Specialisation in Community Health Care (2 semesters/60ECTS)

Courses and internships are offered solely in French. The required level for participation in the courses is B1.

Admission

Application forms to be sent to international.issig@galilee.be

- Before May 15 for the Autumn term
- Before November 15 for the Spring term

For more details on admission and courses, see below and contact :

- Mme Laurence Raveschot,
Coordinator of « mobility » and exchange program ISSIG

Conditions of admission

For registration purposes, your school needs to establish an inter-institutional agreement with ISSIG.

Your school should be able to give you information on this matter. In the unlikely event that your school does not provide you with the necessary information, you may apply for a partnership with ISSIG.

This inter-institutional agreement specifies how many « mobilities » are available between the two schools.

Courses and internships within ISSIG are exclusively in French. Therefore you will need to have achieved a level B1 in French.

Entry procedure

Applications must be submitted before May 15 for the four months starting of the Autumn term and before November 15 for the following Spring term.

You should send your completed and signed application to Mme Laurence Raveschot , responsible for the « mobility » at the ISSIG. Your application must include a copy of either identity card or passport.

Further to an assessment of your application, you will receive a mail confirming the decision on your admission.

If you would like further advice on the choice of courses to attend or if you need any further information, please contact Mme Raveschot before submitting your application.

Your next step is to send to ISSIG a Learning Agreement signed by both your school and yourself. After receipt and review, this document will be signed by the director of ISSIG and sent back to you.

This is the final step in the process allowing you to start to begin organizing your visit as you will then receive your access code to ISSIG intranet and to the copy machines.
